We are delighted to announce that the first Season of Museum Access is now available on Amazon Prime!

The series, which is produced and hosted by Leslie Mueller and Museum Access Media, LLC, takes viewers behind-the-scenes of some of the country's top museums.

Each 30-minute episode offers exciting stories, in-depth conversations with experts, and fascinating footage in areas that museum guests don't have the opportunity to see.

During Season 1, Leslie Mueller and the Museum Access production team were lucky enough to visit Chicago's Museum of Broadcast Communications. It's positioned at the top of the grand staircase.

Videographer, Andy Hoffman, had to watch his footing!
