Museum Access Moments

"My favorite Museum Access Moment was the Fun House at the National Building Museum in Washington, DC. It was an interactive environment with many unique features, such as the shoe-ceiling and large ball pit. This is the perfect place to take Instagram-worthy photos." — Kyle

There are more than 35,000 museums in the United States alone, attracting

850 million visitors every year. It's true! And, twice as many people visit museums than attend all major league sporting events and theme parks combined!

Behind-the-Scenes

Despite 95 degree temperatures and being told that the flight deck temperature was 108 degrees, it was great talking to Lieutenant Commander Lauren Cole, U.S Navy on the Intrepid Aircraft Carrier, home to the Intrepid Sea Air and Space Museum, located on the Hudson River in NYC.
