

WHERE LEARNING IS AN ADVENTURE!

## Take a close-up look at the Intrepid aircraft carrier!

Home to the foremost collection of groundbreaking aircraft and vessels on New York City's Hudson River!

**Did Ya  
KNOW?**

The Intrepid was in service during World War II and survived 5 Kamikaze attacks and 1 torpedo strike. It also served in the Cold War and the Vietnam War.

The Space Shuttle Enterprise was the prototype NASA orbiter that paved the way for America's successful space shuttle program.

The A-12 Blackbird is the world's fastest military jet. It can reach a top speed of 2,269 miles per hour, and can take photographs from 80,000 above the earth.

## Xtra Fun, Xtra Credit!

For adventurers 10+

### Do you know military planes?

Research the different aircraft that are presently on view on the Intrepid. Learn about how each one was used and in which branch of the military.

### Intrepid & Space!

Research the role of the Intrepid as a recovery vessel for the U. S. Space Program. Create a timetable for on-board activities after an actual splashdown.

### Fleet Commander...

Be the commanding officer of your very own aircraft carrier, complete with 6 planes, flashing runway lights, storage compartment and sound effects! Part of the Museum Access Education curated collection of toys, games and projects. Click here to purchase.
