CATCH UP NOW!

Summer is a great time to relax and catch up. All 4 seasons of Museum Access are now on Amazon Video. From dinosaurs, DaVinci and Dali to military history, outer space and the C.I.A., we've got a museum for everyone. So be inspired and broaden your world from the comfort of your own home. Stay tuned for Season 5 coming this Spring.

Saluting America's Heritage

The American Heritage Museum in Stow, MA is a jewel of a museum that boasts an incredible collection of military tanks, classic cars, historic aircraft and more. Yep! We could feel the testosterone in the air. No kidding though, it's a breathtaking destination for young and old alike. Check out their Living History events and tank driving programs too. MUSEUM CHUCKLE...

Good News from a Public Television Giant!

"I'm pretty sure I've already seen a rock like that in some museum back on Earth."

The
WNET
Group

The WNET Group in NYC has officially launched Arts TWG, a new FAST channel dedicated exclusively to the arts. The channel has nationwide reach and broad appeal with programming that includes dance, biographies, visual arts, music and live performances. We are thrilled that Museum Access was selected to be a part of this important launch. For details on where to find Arts TWG [click here](#).

TRAVEL TALES

Travels for Museum Access never fail to surprise. Returning from our recent shoot at the Milwaukee Art Museum I had a blow out on the front tire on my rental car in a busy intersection. Thankfully, the Deerfield, IL police came to my rescue. Officer Martin McNulty guided me out of the traffic and he and fellow officers Brad Schroeder and Austin Matthews actually changed the tire. Talk about going beyond the call of duty! I am forever grateful for their professional

BOREDOM BUSTERS!

The **West Point Museum** is the nation's oldest and largest military museum housing collections representing all aspects of Military History.

Did Ya Know?

The medal of honor is the United States government's **highest and most prestigious military decoration**. Over 3,400 have been awarded since 1861.

West Point graduates have a strong sense of self with a commitment to **duty, honor and country**. Many go on to lead exemplary lives as leaders of character.

George Washington's rare flintlock pistols on view in the American Wars gallery represented the best of the best at that time. They used a flint striking ignition mechanism to fire.

Xtra Fun, Xtra Credit!

For adventurers 7+

Make your own Field Binoculars!

- Materials Needed:**
- 2 cardboard tubes (we used toilet paper rolls)
 - Camouflage patterned paper or fabric
 - Glue
 - Paper hole punch
 - Piece of string or elastic

Step 1
Cut camouflage paper or fabric to cover both tubes

Step 2
Attach with glue, let dry

Step 3
Glue the 2 tubes together lengthwise, let dry

Step 4
Punch 1 hole at the bottom of each tube near edge

Step 5
Attach string through each hole and you're all set!

Not To Miss!

One of the leading nature museums in the Northeast, The Wild Center in Tupper Lake, NY has opened yet another timely exhibit called **Climate Solutions**. We all know that Climate change is one of the biggest challenges we face, but what can we actually DO about it? The Wild Center has some ideas on how to shift the narrative on climate change. Prepare to be blown away! Check out our trailer for The Wild Center [here](#) and watch on [Amazon Video](#) anytime!

Behind-the-Scenes: The NYC Fire Museum

*"I was blown away by the history of the NYFD at the **New York City Fire Museum**. Hard to imagine brave men running to burning houses in the early days with leather buckets they'd filled with water from nearby Canal Street or Spring Street. My,*

how times have changed! Thankfully, we now have state of the art equipment for our brave firefighters. God Bless them all.”
