### SURROUNDED BY FAMOUS CHICAGO WRITERS

The **American Writer's Museum** on Michigan Ave. in Chicago celebrates all genres of writing. It shows how impactful writing clearly influences our history and culture. It's loaded with interactive exhibits for budding writers and seasoned writers alike. We loved taking a whirl at the table filled with vintage typewriters for all to use. Just one of the hidden museum gems we're sharing in season 4 now airing on Public Television/ PBS stations nationwide. Check your local listings.

## OUT & ABOUT

At the [Ringling Museum](#) in Sarasota, FL there is an incredible wealth of 19th and 20th Century posters and one-of-a-kind props used by famous performers, some of whom still live in the area. There are even newspaper clippings in the collection dating back to 1816!

Check out the [Museum of the Moving Image](#) for a [FREE 4 session series workshop](#) from June 1-22. Parents will learn media and games that they can easily teach to their kiddos. It's just one of many programs at MOMI.

### Behind-the-Scenes: The Mark Twain House & Museum Hartford, CT

*"Jodie de Bruyne of the [Mark Twain House & Museum](#) was kind enough to share with us some of Samuel Clemens personal belongings that are rarely on view. The top hat and pipe blew me away. His unusual home with it's unique 'writing area' seemed a perfect fit for one of our nation's defining cultural figures."*
