Our New Season of Adventures is Right Around the Corner!

We're putting our finishing touches on 10 exciting new episodes of Museum Access. From covered wagons to nuclear submarines, the Huey Helicopter and International spies to behind-the-scenes with the American Impressionists. Curious kiddos will love seeing their fave classic cars from Hollywood movies and nature lovers will enjoy learning more about important plant research and climate change. History buffs will be blown away by the private collection of American financier J.P. Morgan. We're including a few extra special episodes too. There's something for everyone this season so stay tuned to your Public Television / PBS stations this May and experience America's top museums from the comfort of your living room.

The Full Moon is Traveling the Earth!

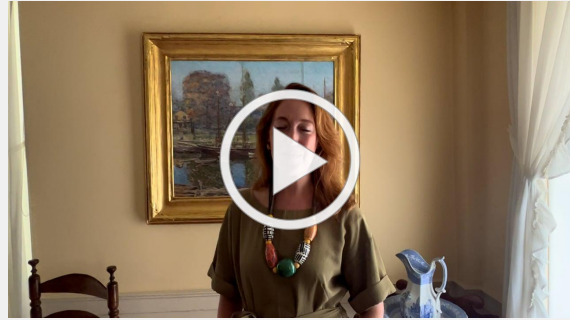

This spherical model of the moon by British artist Luke Jerram is traveling the world transforming spaces into the **Museum of the Moon**. The model is 23' in diameter and when installed in a dark space, it becomes a dazzling, glowing orb for all to enjoy. Worth a trip for sure!

Did Ya KNOW?

A new study has discovered that going to museums have, are you ready? health benefits! Yep! Visiting your favorite museum can improve feelings of depression, lessen loneliness, ease chronic pain and even decrease the likelihood of being diagnosed with dementia. Who knew museums were not only enjoyable places to visit with your sweetie but good for your mental health too? So plan a visit soon!

MUSEUM ACCESS MOMENT

That's one Museum Moment you'll never forget Maggie. Thanks for sharing AND thanks for the giggle!

A BIG CONGRATS TO THE WILD CENTER!

One of our fave museums in the Adirondacks is [The Wild Center](#). Apparently we're not their only fans. It's been selected as 'Best Science Museum' in the country by USA TODAY'S 2024 Readers Choice Awards. We sure enjoyed our visit in Season 2 and send our congrats to the entire team. Bravo! If you missed the episode, check it out on [Amazon Video](#) anytime!

BEHIND – the – SCENES: THE VOLO AUTO MUSEUM

"I was floored when I walked into one of the many spaces at the [Volo Auto Museum](#) in Volo, IL. Brian Volo guided me through the massive classic

car collection and that was just the beginning of our 25acre adventure. We explored transportation history in America from covered wagons to modern day RVs. The one-of-a kind Titanic exhibit with classic automobiles is not to be missed."
