MUSEUM ACCESS MOMENT

A big congrats to the Mark Twain House and Museum for being named the Best Museum in CT. by Conde Nast Traveler. They've had some tough competition but came out on top. We sure loved our visit there in Season 4. His home is beautiful and the nearby museum is worth the trip alone. Check out their special events too. Here's our trailer for a little preview. Streaming on Amazon Video, Tubi TV, Roku TV and YouTube anytime.

Wow! What an incredible 'Museum Moment' Liz! We can see why you paused for a moment. Thx for sharing.

What a treat to return to the Submarine Force Museum in Groton, CT sharing a presentation followed by a screening of the Season 6 episode we shot there. The USS Nautilus Nuclear Sub and adjoining museum are full of history of the 'Silent Force', interactive exhibits and a few surprises too. The episode is airing nationwide on Public Television / PBS stations and streaming on Amazon Video, Roku TV and Tubi TV anytime.

HEADING TO PARIS? Don't miss The Louvre's very first fashion exhibition, 'Art and Fashion: Statement Piece'. This one was worth the wait. Forty-five fashion houses and designers lent the museum 100 ensembles and accessories for this spectacular exhibition. It explores the historical dialogue between the world of fashion and the world of art. On view thru July 2025.

BEHIND – the – SCENES: THE EMPIRE STATE BUILDING MUSEUM

"I have to admit, it was hard to focus on Director Jean-Yves Ghazi while we were shooting atop the Empire State Building for our upcoming season. The panoramic view from the 86th floor is truly incredible, and the 2 museum floors are a perfect prelude, providing the history and importance of this NYC landmark."
