

Museum Access: The Bruce Museum

SEASON 2 - EPISODE 7

Question 6

What type of art might Lautrec have been influenced by?

More Talking Points:

1. Can you see Lautrecs' influence in any artists' work today?
2. What do you see in their art that reminds you of Lautrec?

Question 7

Discuss the process of color lithography in the late 1800's.

More Talking Points:

1. Have you ever made a print of any type?
2. Why did you choose to make a print instead of a drawing or painting?

Question 8

How much time does a typical color lithograph take to produce?

More Talking Points:

1. Why is the process so time consuming?
2. Would you have the patience to complete a set of prints?

Question 9

What are some of the challenges in the color lithography process?

More Talking Points:

1. How did people like Lautrec and his printers work through these challenges?
2. What are some modern challenges of printing?

Question 10

How did the invention of printmaking impact the modern world?

More Talking Points:

1. How did it impact advertising in Lautrec's time?
2. How does it continue to impact advertising today?
