

Enjoy this June Edition of the Museum Access INSIDER Newsletter

GOT BORED KIDS AND GRANDKIDS?

We know it's sometimes hard to come up with fun activities for our bored kiddos. How 'bout trying our [Museum Access Coloring Book](#)? Kids can learn at the same time they're coloring since it's filled with images from our museum adventures, fun facts, games and more. We love the Sunnyglade Deluxe Art Set for all ages too. [Check them both out here!](#)

BEST VIEWS OF MICHIGAN AVENUE!

Who knew that one of the most stunning views of the Chicago River & Michigan Ave. is from the top floor of the [McCormick Bridgehouse and Chicago River Museum](#)? This jewel of a museum is a must-see if you'd like to take a deeper dive into the city's history and its world famous moveable bridge system. The dynamic relationship between the city, the river and its remarkable bridge system continues today.

[Here's a peek at our visit!](#)

Airing on public television / PBS stations nationwide.

MUSEUM ACCESS MOMENT

Send us a pic of your final masterpiece and we'll add it to our [Gallery Page](#).

MUSEUM CHUCKLE...

WHAT THE HECK?

The Louvre Museum in Paris was the scene when surprised museum guests saw someone actually smear cream on Leonardo da Vinci's masterpiece, Mona Lisa.

Thanks for sharing this important museum Joe. Every American should plan a visit there. It's a place to remember the past and a place to hope for the future.

E-mail us your favorite Museum Moment to info@museumaccess.com for a chance to be included in our INSIDER Newsletter!

Check out what other viewers are saying about their fave Museum Moments [here!](#)

U.S. Army General and chairman of the Joint Chiefs of Staff Mark Miley, spoke to nearly 1,000 proud graduates, their friends and family at the United States Military Academy at West Point this year. Learn more about the proud history of West Point and meet 3 outstanding cadets in the episode we shot at the [West Point Museum](#), now airing nationwide. Check your local public television / PBS listings. [Here's a peek](#)

Thankfully, she was protected by safety glass as are most works of art in museums around the world today.

Behind-the-Scenes: Museum of the Moving Image, Astoria Queens, NYC

"I was among my childhood 'friends' during our visit to the **Museum of the Moving Image** in Astoria, Queens. The permanent Jim Henson exhibit was like a stroll down memory lane. From early motion-picture cameras to a behind-the-scenes look into the creative process of today's films. It's a through look at moving images of all kinds that the entire family will love! Check out their Summer Media Camp for kids too. Starting July 11th."

Host – Leslie Mueller
